

Good And Welfare - Life Events

The executive has passed a motion (02-179e) that established a "life event" section for use by our membership. This section is for members who wish to contribute to our endowment fund to "commemorate" a special event. The donation - as is true with all contributions to the endowment fund - will enable the donor to receive a tax deductible receipt.

The objective is to allow members the opportunity to "mark" a special event, such as a birth, death, promotion, retirement, great round of golf, or "whatever" by contributing to the endowment fund and having the person you are honoring know about it by receiving a card from the CAE!

The Newsletter will carry a "clip out" form and eventually the web site will also have a form on it. This form serves to gather the appropriate information and should be submitted along with a cheque to Wayne Acheson by mail. Wayne will see to it that you receive a receipt, and a card will be sent, bearing the CAE logo, to whomever is specified and the reason for the donation.

Example: The CAE Endowment Fund has received a donation from Dr. Endodontist to honor the birth of your grandchild, Peealong Withme.

Good And Welfare - Life Events

Donor's Name : _____

Address: _____
